An integrated health system seeks a BC Family Practice physician to join an existing Family Practitioner, Physician Assistant and Nurse Practitioner.

Opportunity highlights include:
- First year compensation potential of 230K plus (base of 180K plus productivity bonus)
- Full benefits, including health insurance, malpractice, paid time off, 401(k), and CME will be included in the package
- Clinic located in hospital
- Breaking ground on new hospital, anticipated opening 2011
- 60 minutes to Kansas City International Airport, Lawrence and Topeka

Become a pillar in a family-oriented community with music, sports, outdoor recreation and academics high on the priority list. Low crime, excellent schools, good weather, and a vibrant and active community are just a few of the benefits you will attain. Enjoy a large lake within view of the hospital which provides water and jet skiing.
